January 12, 2022

Greeting Barber Families.

I want to thank all our families for trusting us with your student's education. **This Friday, January 14, 2022, we will have distance learning for all students. No in-person instruction.** The building will be closed to do additional deep cleaning. We recognize how important it is to keep students and staff safe. Students will bring work home on Thursday that they will work on Friday. Teachers will place phone calls to students and aid students.

If you are interested in receiving or having your students receive a vaccination, we are offering a vaccination clinic here at Barber on Tuesday, January 18, 2022. Wayne County Health Department is sponsoring this clinic. We will have trained medical professionals to provide the vaccination. The clinic will run from 9 am-12 pm Tuesday, January 18, 2022. Booster shots will be available as well. Please return the consent form on 1/18/2022.

If you have any questions, please don't hesitate to contact the school.

Your Partner in Education,

T. N. Brown  
Principal
